

[ photographic thinking ]  
- version **Live Web.0**

*I'm not on the outside looking in. I'm not on the inside looking out.  
I'm in the dead ducking center looking around.*

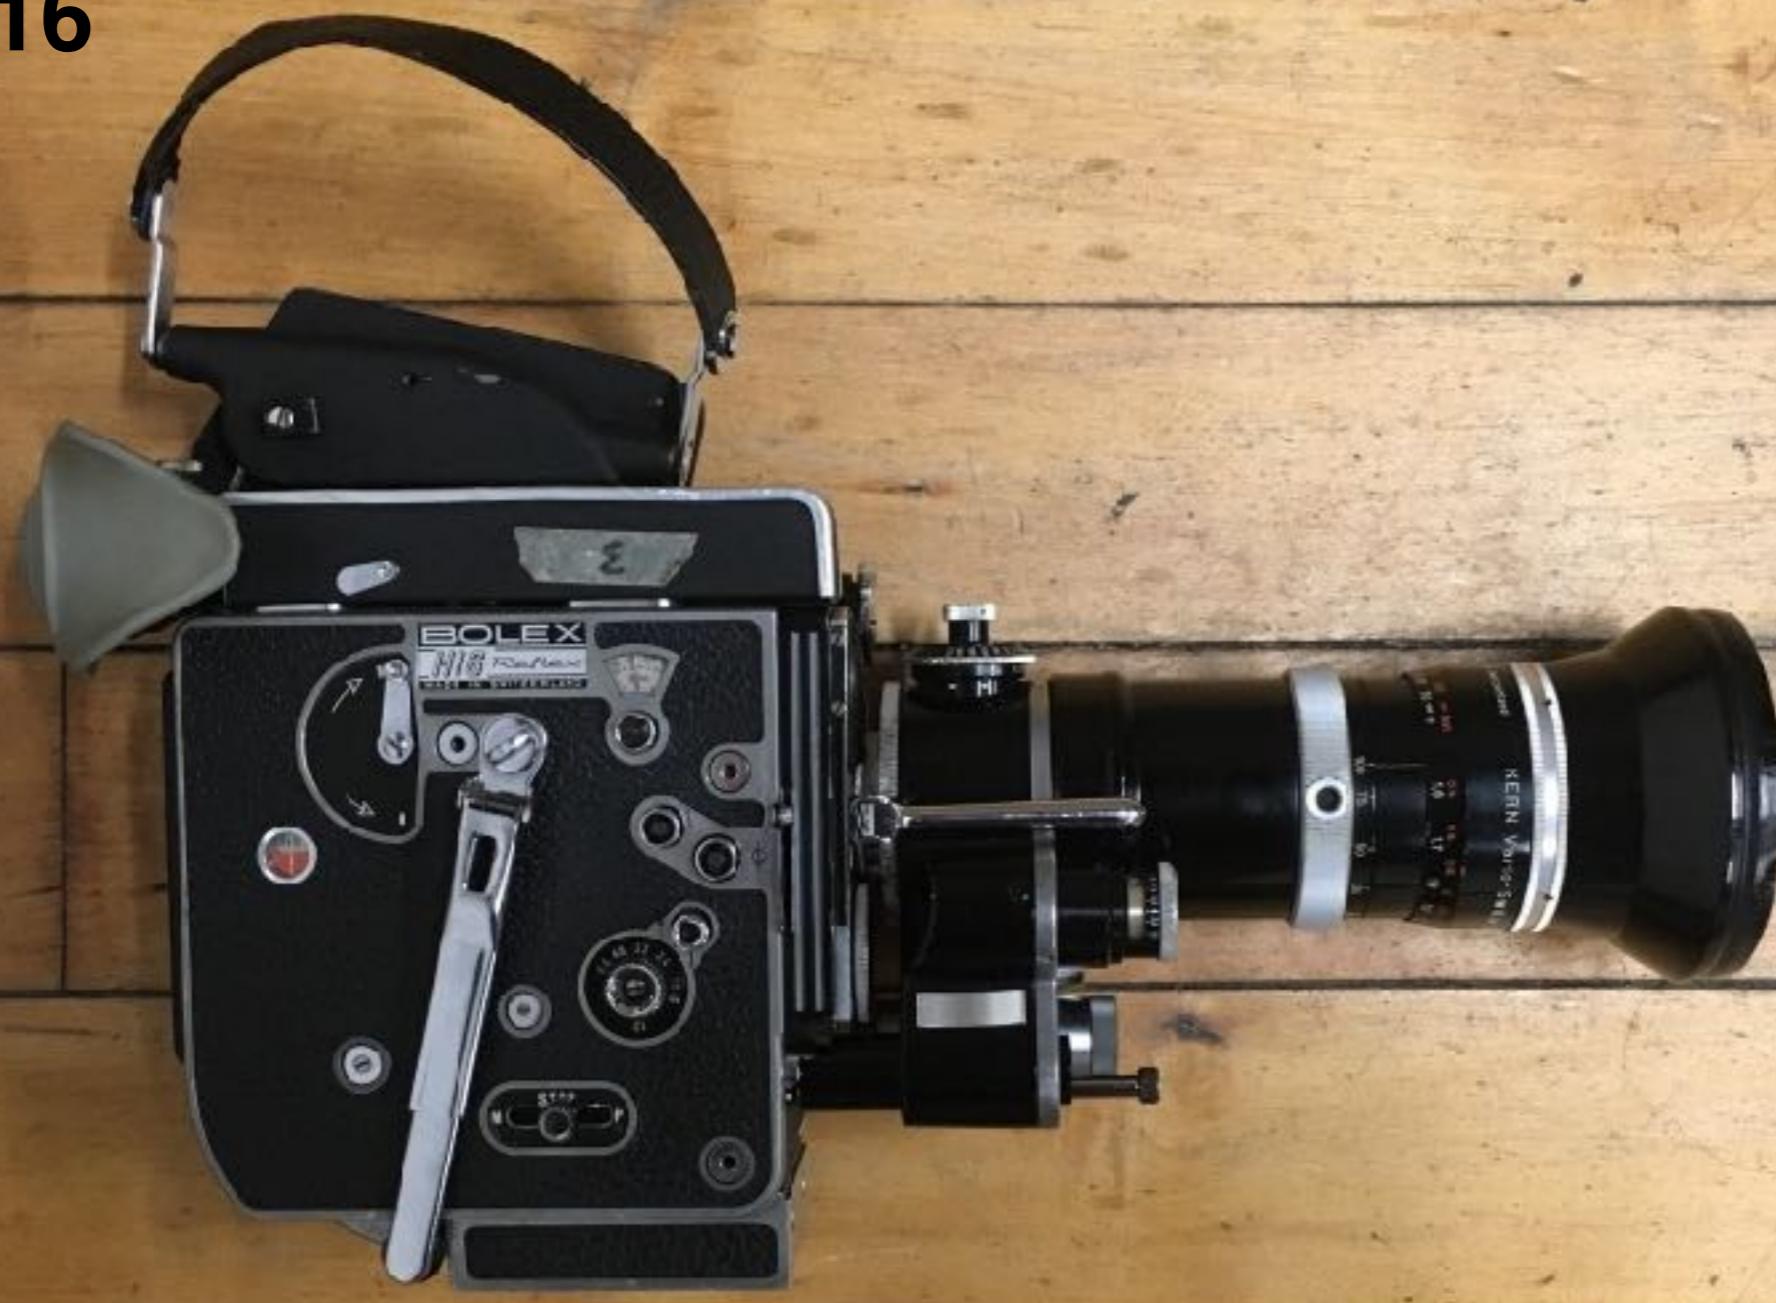

-Kendrick Lamar

why the context?

b/c phuture...

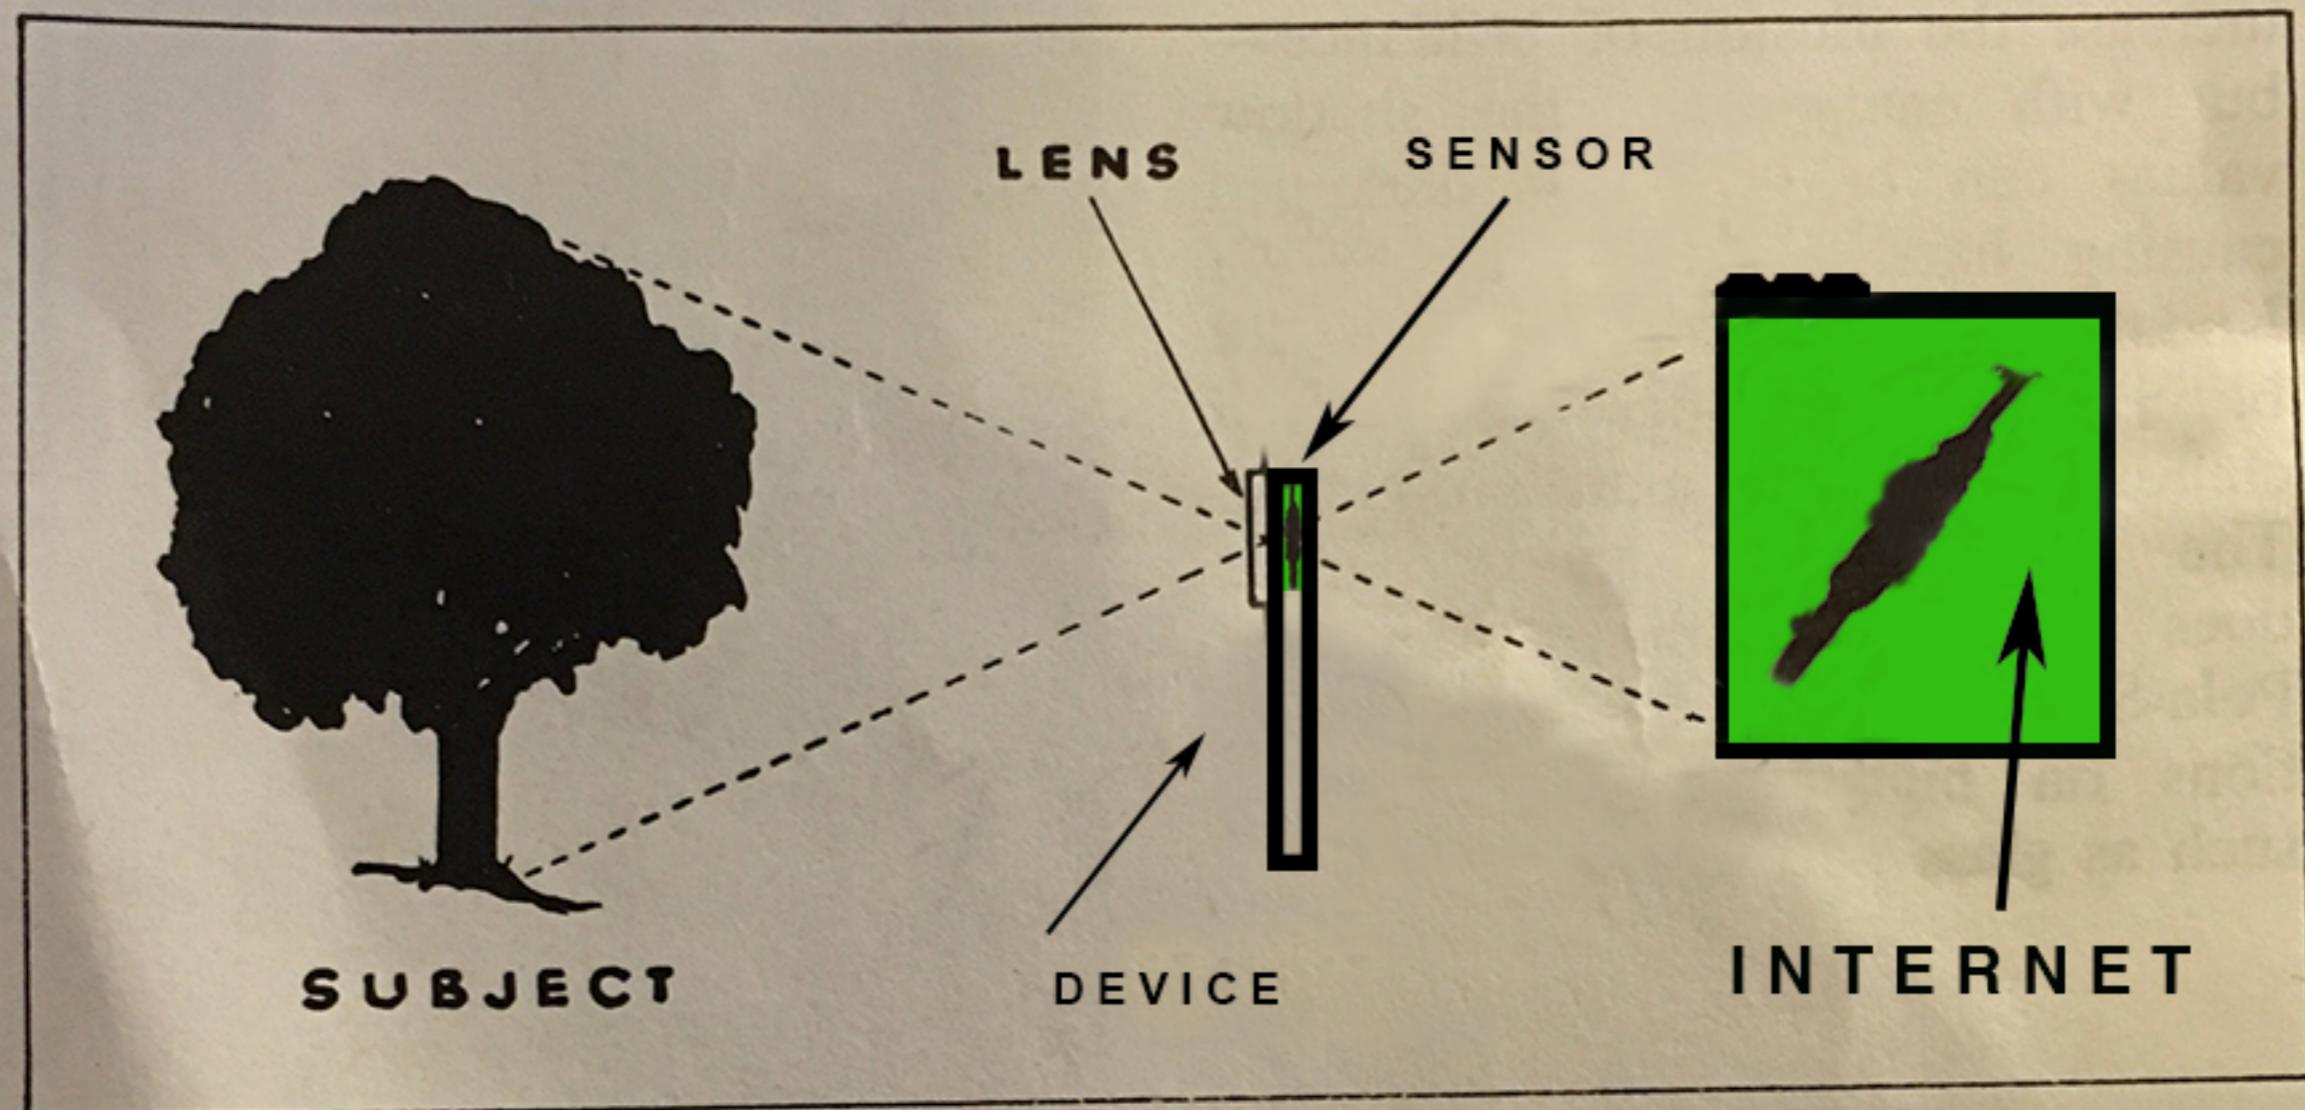

digital sensor is a terrible photographic tool, but is an AMAZING communication device

*This diagram illustrates how the camera lens collects the rays of light reflected from the subject and projects an inverted image onto the film.*

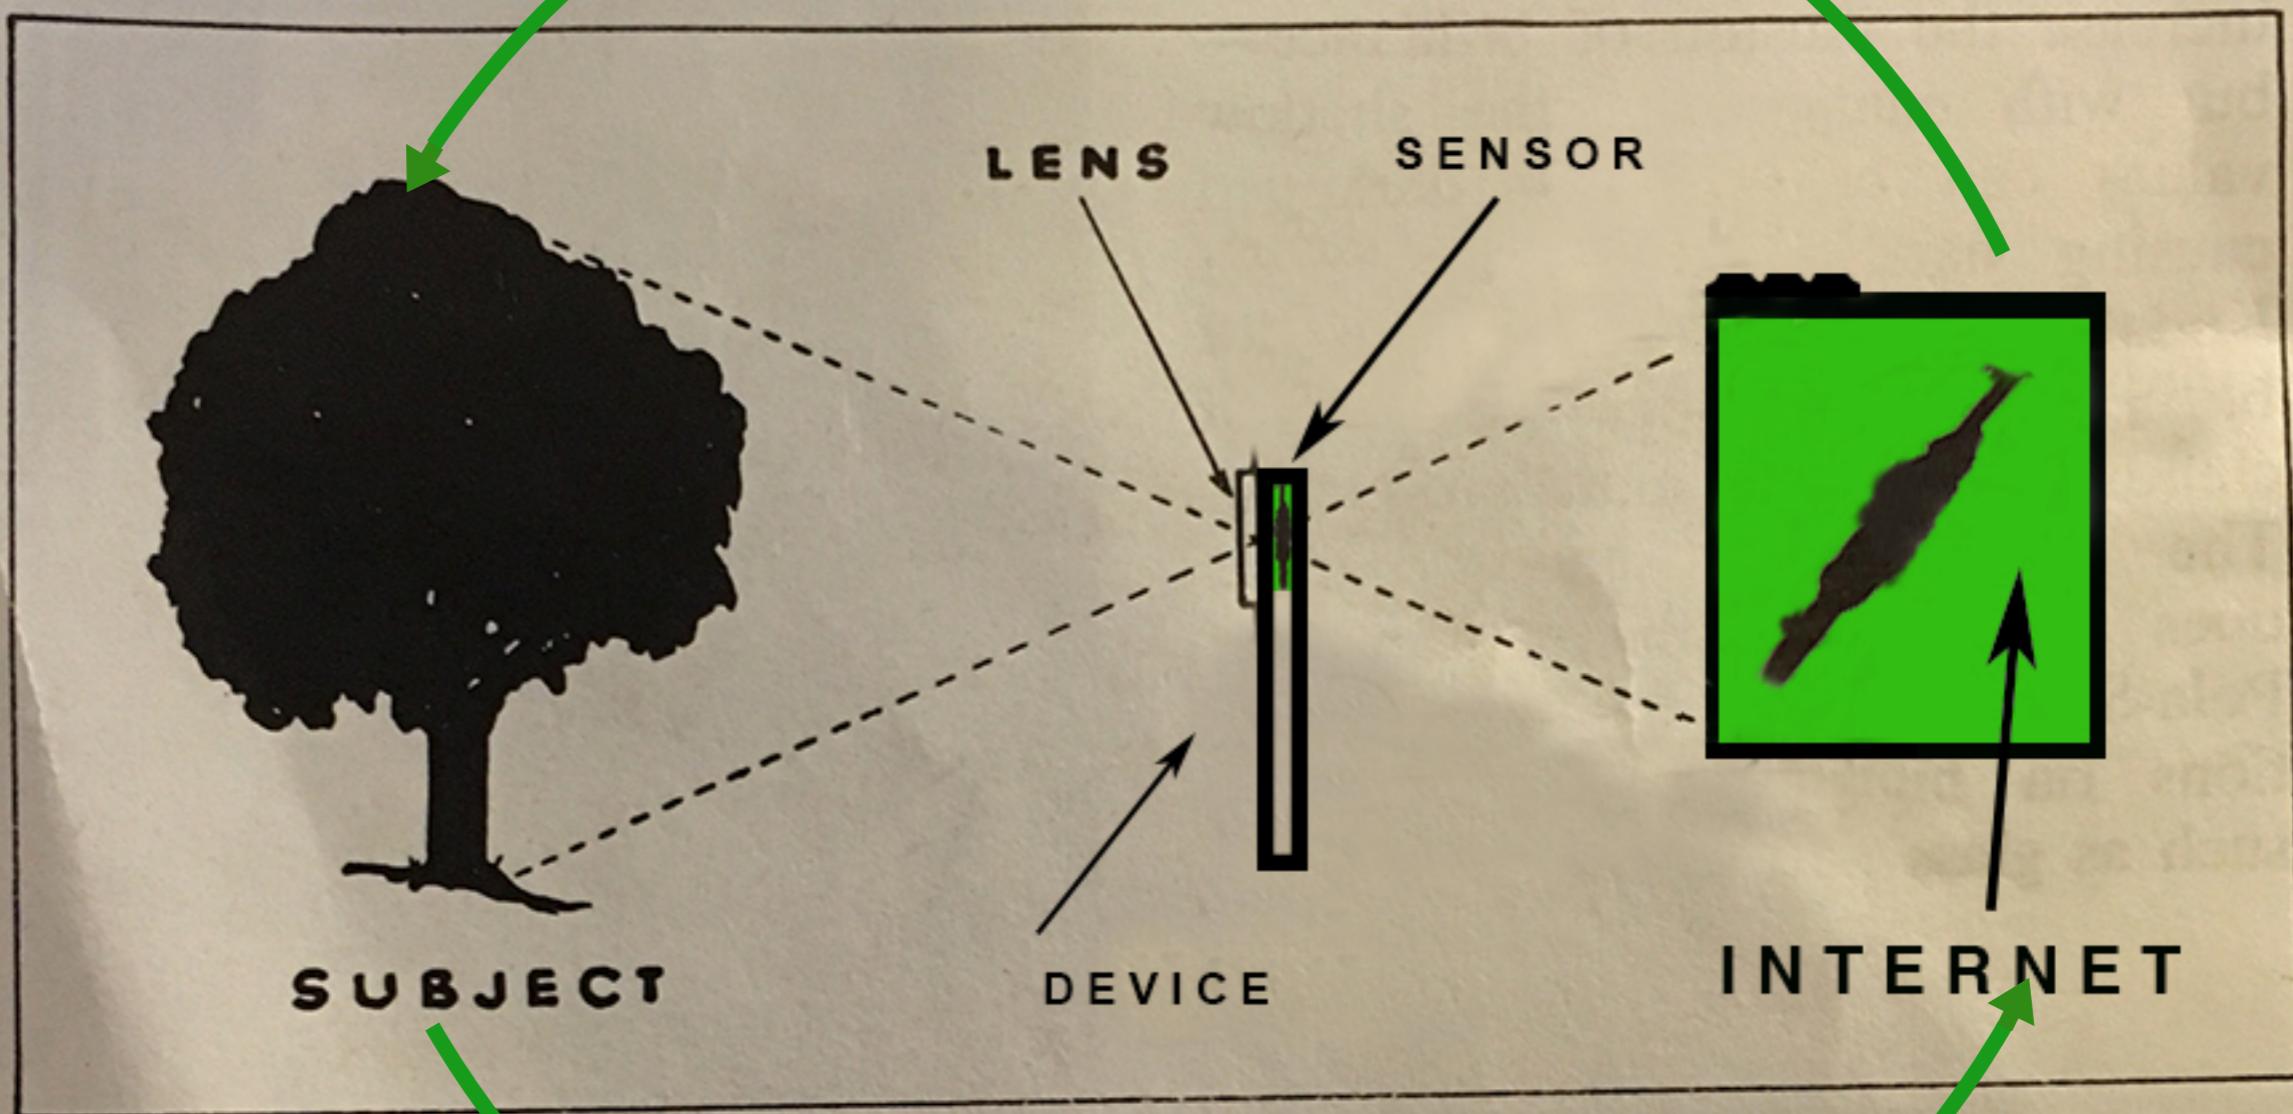

[ sketch made for open source cinema, spring 2016 ]

*This diagram illustrates how the camera lens collects the rays of light reflected from the subject and projects an inverted image onto reality.*

I am troubled by the implications proprietary platforms have on creativity and freedom of expression. In the past I paid Kodak for the material, but never the context to share or store pictures.

[ sketch made for live web, late fall 2016 ]

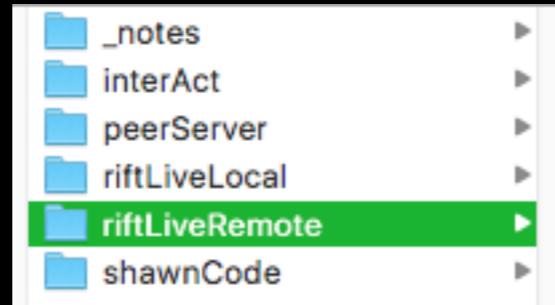

*This diagram illustrates how the camera lens collects the rays of light reflected from the subject and projects an inverted image onto **reality**.*

I am troubled by the implications proprietary platforms have on creativity and freedom of expression. In the past I paid Kodak for the material, but never the context to share or store pictures.
